Do you know what you're doin' to me?  
Do you know I can't set you free?  
Do you know that at night I just ain't sleepin'?  
Do you know I can't take anymore?  
Do you know what I'm livin' for?  
Do you know that you're all I have worth keepin'?

You're keep on sayin' that it's over  
I got a feelin' you don't know what you're losin'

Do you know you're in every dream I dream?  
Like a picture of a face in a magazine  
You don't know that I've tried so hard to forget you

I think about the love we made  
And I wonder if I'll ever find another  
Oh! Another girl like you  
I'm cryin' through the lonely days  
But baby through the lonely nights

CHORUS:

I'll keep on believin'  
I won't let our love slip away  
I gotta keep believin'  
That baby you'll be comin' back  
Comin' back to stay

Now when you're lyin' in a strangers arms  
You're gonna wish you were with me  
Oh! That's when you'll remember  
And when you have a change of heart  
Baby you'll know where I'll be, so

CHORUS
