It's a bloody scene  
Hear the population scream  
As the missile rushes in  
Can't you feel the flames of hell?  
Can't you hear the tollin' bell?  
It's the sound of the world coming to an end

Is it too late, too late?  
To make to make the politicians bend  
We let the insane play their fool's game  
They're runnin' a race for death  
And we want

CHORUS

Life, Life, Life  
You'd better pull your head out of the sand  
If you want Life, Life, Life  
It's time to break down the chain of command

When will they be satisfied?  
After everybody has died?  
Well that's the way it seems to be  
Now it's not only the USA  
Everybody's to blame  
We gotta stop the war machine

Is it too late, too late?  
To stop their evil master plan  
It's a fool's game – a mistake  
When they laugh in the face of death  
'Cause we want

CHORUS
