Lyrics: Dave Meniketti

You are the reason
That I feel so alive
Let me show how I'm feeling
Ooh, let me show you tonight

It's hard to believe
That I could feel so strong
But you know that it's real
'Cause I've been waiting so long
Yes, I've been waiting so long

So tell me now . . .

CHORUS:

Tell me why I should wait
Say you believe tonight
Tell me why I should wait
'Cause this moment is right

Tell me you feel it
The same way I feel inside
And I'll show you I mean it
Ooh, for the rest of your life

Ooh, you know I need
To hear you say "yes" tonight
And you know I can't leave
No, until I hear you say
Until I hear you say "yes"

Tell me now . . .

Tell me why I should wait
Just say you believe tonight
Tell me why I should wait
'Cause this moment is right

Tell me, 'cause I can't stop
I need you to feel your touch

So much more this time
And so much, I can't hide

Tell me now . . .

CHORUS:

Tell me why I should wait
Just give me a reason tonight
Tell me why I should wait
This moment, oh

Tell me why I should wait
Just say you believe tonight
Please tell me why I should wait
'Cause this time is right
